rGlohJahWwans is basically turbo lohas. LOHAS designates a market and stands for "Lifestyles of Health and Sustainability." rGlohJahWwans is a catalyst, a path and a "how to" guide to achieving a Robust Green Life Of Harmonious Joy Abundance Health Wealth Wisdom And Nurturing Sustainability. We're going to diffuse climate change and have a total blast...I mean mega-fun, super-smiles, happy giggles, major party...the whole time!

The acronym also defines rGlohJahWwan principles.

Here's what the acronym stands for:

Robust: Full of life, vivacious, glowing, strong, healthy

Green: Natural, pure, sustainable, organic, wise use of technology and synthetics

Life/Lifestyle: Your life and how you live

Of: Embodying

Harmonious: Works well together, full-cycle thinking. If I buy X food item, what happens to me when I eat it? What happens to the wrapper? What will I excrete as a result?

Joy: Bliss, happiness, heavenly life on earth, makes you smile in a relaxed but alert way, heals anything and everything.

Abundance: Works the way seeds work: one seed yields fruit. Fruit has seeds. Seeds grow into trees, bushes, plants, etc., which yield an abundance of fruit.

Health: Vibrant wonderful health. Completely disease-free or on the way to being so.

Wealth: Gratitude for what one has. Loving reception and creation of what one wants. Abundant financial well-being.

Wisdom: Making the right decisions.

And

Nurturing: Leave your place better than when you left it. Create self-sustaining growth and harmony. Care, love: the third thing.

Sustainability: Cycles that replenish themselves when repeated. All that is taken is returned in a favorable manner to all involved.
